Premier tillverkar marsch bastrummor för många ändamål.

Bastrummorna som är 10" djupa passar bäst till traditionella marching bands.

Trummorna som är 12" djupa är tänkta för pipe-bands där det behövs lite mera botten och projektion.

Projector serien är 14" djupa därför ger dom mest botten och projektion .

Premier lite är perfekt för musikskolor och marching band med unga utövare.
